Dear Mr. Keith,

Congratulations! You have achieved Platinum status on your Northbridge Insurance™ Safety Systems Management Report.

The Northbridge Insurance Safety Systems Management Report was developed using the knowledge and insights that come from more than 60 years serving the trucking industry. It is the only report that shows how your company ranks in comparison to 100 percent Canadian trucking data, benchmarking your company against over 1,000 other fleets.

Achieving Platinum status means your company ranks among the top five percent in Canadian trucking, particularly when it comes to your commitment to road safety and the uninterrupted flow of goods in Canada.

It is our distinct pleasure to recognize this commitment to safety and continuous improvement. We are proud to be your business partner, and we look forward to continue working with you to support your success.

Sincerely,

Fabian Richenberger
President
